**PURPOSE/BACKGROUND:**

On August 11, 2005, the City of Las Vegas entered into an Interlocal Contract with the CCRFCD for the design of the Oakey Drain, Birch Street to Cahlan Drive, with construction scheduled to begin during fiscal year 2007/2008. The basic improvements shall consist of approximately 3,000 feet of reinforced concrete pipe varying in size from 5-feet by 5-feet to 10-feet by 8-feet with associated drainage collection facilities to collect the storm water flows. This system will provide protection to properties along Oakey Boulevard between Cahlan Drive and Birch Street by directing the water into the existing Oakey Drain facility, which ultimately drains to the freeway channel. This Second Supplemental Interlocal Contract will extend the date of completion to February 23, 2010.
